

Trouble by Leona Lewis

Fill in the gaps

You drink more than you used to
Fell in love, how could you
Trust your heart like only (1)_____ do
Go on, let it bleed
You (2)_____ ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still (3)_____ when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder than you (4)_____ to
And you hold on tighter in the bedroom
Stick around like imma (5)_____ soon
Go on, let it bleed
As you stand there trying to save me
Use your head and, babe, believe me

Gonna take much more than a heart to save me
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But (6)_____ we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the strength to leave
I told you never to get used to me
I still awake when you (7)_____ asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you (8)_____ (9)_____ follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
