

Fill in the gaps

You drink (1) than you used to	
Fell in love, how could you	
Trust your heart like only fools do	
Go on, let it bleed	
You smoked ten, now it's twenty	
Bet you wish you never met me	
To stick around, you must be crazy	
Go on, let it bleed	
I told you never to get used to me	
I still awake when you fall asleep	
I'm a whole lot of trouble	
We're in a whole lot of trouble	
I told you you should never follow me	
But here we are, and you're into deep	
I'm a whole lot of trouble	
We're in a whole lot of trouble	
You shout louder than you used to	
And you hold on tighter in the bedroom	
Stick around (2) imma (3)	_ soon
Go on, let it bleed	
As you stand there trying to save me	
Use your head and, babe, (4) m	е
