

## Fill in the gaps

You drink more than you used to	
Fell in love, how could you	
Trust (1) heart like only fools do	
Go on, let it bleed	
You smoked ten, now it's twenty	
Bet you wish you never met me	
To stick around, you must be crazy	
Go on, let it bleed	
I told you never to get used to me	
I still awake (2) you fall asleep	
I'm a whole lot of trouble	
We're in a whole lot of trouble	
I (3) you you should never follow me	
But here we are, and you're into deep	
I'm a whole lot of trouble	
We're in a whole lot of trouble	
You shout (4) than you used to	
And you hold on tighter in the bedroom	
Stick around like imma change soon	
Go on, let it bleed	
As you stand there trying to save me	
Use your head and, babe, (5)	me

Gonna take much more (6) a (7) to
save me
Go on, let it bleed
I told you never to get used to me
I (8) awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're (9) deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the strength to leave
I told you never to get used to me
I still awake when you (10) asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
