Living On The Edge by Aerosmith

Fill in the gaps

There's something (1)	_ (2)	the world	But we can tell them no or we could let	it go
today			But I would rather be a hanging on	
I don't know what it is			Living on the edge	
Something's wrong with our eyes			You can't help yourself from falling	
We're seeing things in a different way			Living on the edge, you can't help yourself at all	
And God knows it ain't His			Living on the edge, you can't stop yourself from falling	
It sure ain't no surprise			Living on the edge (everybody, evertbody)	
We're living on the edge			Living on the edge	
We're living on the edge			Living on the edge	
We're living on the edge			Living on the edge	
We're (3) on the edge			(Yeah, yeah, yeah, yeah, yeah, yeah)	
There's (4) wrong with the world today			Living on the edge	
The light bulb's getting dim			You can't help yourself from falling	
There's meltdown in the sky			Living on the edge, you can't help yourself at all	
If you can (5) a wise man			Living on the edge, you can't stop yourself from falling	
By the color of his skin			Living on the edge	
Then mister you're a better man that I			Living on the edge	
We're living on the edge			You can't help yourself (everybody)	
You can't help yourself from falling (everybody)			You can't help (yourself)	
Living on the edge, you can't help yourself at all			Living on the edge	
Living on the edge, you can't stop yourself from falling			You can't help (10)	_ at all
Living on the edge			Living on the edge	
Tell me what you think about (6) situation			You can't help yourself	
Complication, aggravation is getting to you			You can't help (yourself)	
If Chicken Little tells you that the sky is falling			Living on the edge	
Even if it wasn't would you still come crawling			You can't help yourself	
Back again, I bet you would my friend			You can't help (yourself)	
Again and (7) and ag	ain and again a	nd again	Living on the edge	
Tell me what you think about your situation			You can't help yourself from falling	
Complication, aggravation is getting to you			Living on the edge	
If Chicken (8) tells	you that the sky	is falling	(Yeah, yeah, yeah, yeah, yeah)	
Even if it was would (9)	_ you still come	e crawling	Yeah, you got to that now	
Back again, I bet you would my frie	nd			
Again and again and again and again	ain and again			
There's something right with the wo	orld today			
And everybody knows it's wrong
