

Fill in the gaps

Just tell me what you've got to say to me	And you're such a charming, handsome man
I've (1) waiting for so long to (2) the	Now I think I (12) understand
truth	Is it in your genes, I don't know
It comes as no surprise at all you see	But I'll (13) find out, that's for sure
So cut the crap and tell me that we're through	Why did you (14) me (15) way
Now I know your heart, I know your mind	Well I guess (16) you say is true
You don't even know you're being unkind	I (17) never be the right (18) of
So much for all your (3) Marxist ways	(19) for you
Just use me up and then you walk away	I (20) never be your woman
Boy, you can't (4) me that way	I could never be your woman
Well I guess what you say is true	I could never be your woman
I could never be the right kind of girl for you	I could never be your woman
I could never be your woman	Well I guess what they say is true
I could never be (5) woman	I could (21) spend my life (22) a man
I could never be your woman	like you
I (6) never be your woman	I could never be (23) woman
When I saw my (7) friend yesterday	I (24) never be your woman
She said she (8) liked you (9) the	I could never be your woman
start	I could never be (25) woman
Well me, I wish that I could claim the same	
But you always (10) you (11) my heart
