

Fill in the gaps

Shadows (1) an empty heart	Never went away
As (2) is fading	What if it's (17) behind
From all the things (3) we are	Words we could never find
But are not saying	Baby, before it's too late
Can we see beyond the scars	What about now
And (4) it to the dawn	Now that we're here
Change the colours of the sky	Now that we've come this far
And open up to	Just (18) on
The (5) you (6) me feel alive	There is (19) to fear
The ways I loved you	For I am right (20) you, for
For all the things that never died	All my life I am yours
To (7) it through the night, love will find you	What about now
What about now	What about today
What (8) today	What if you're making me
What if you're making me	All that I was meant to be
All that I was meant to be	What if our love
What if our love	Never went away
Never went away	What if it's lost behind
What if it's (9) behind	Words we (21) never find
Words we (10) (11) find	What (22) now
Baby, before it's too late	What (23) today
What (12) now	What if you're (24) me
The sun is breaking in your eyes	All (25) I was meant to be
To start a new day	What if our love
This broken (13) can (14) survive	Never went away
With a touch of (15) grace	What if it's lost behind
Shadows fade into the light	Words we could never find
I am by your side where love (16) find you	Baby, before it's too late
What about now	Baby, before it's too late
What about today	Baby, before it's too late
What if you're making me	What about now
All that I was meant to be	
What if our love
