Somebody That I Used To Know (Cover) by Walk Off The Earth

Now and then I (1)_____ of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So (2)_____ we found that we could not make sense
Well, you said that we would still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened and that we (3)_____
nothing
And I don't even need (4)_____ love
You treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done

Now I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up
On (5)_____ that you used to know
But you didn't (6)_____ to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
You treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't (7)_____ that though
Now you're (8)_____ (9)_____ that I used
to know
Somebody (I used to know)
Now you're just somebody that I used to know
Somebody (I used to know)
Now you're just somebody that I used to know
I used to know
That I used to know
I used to know, somebody
