

Fill in the gaps

Somebody That I Used To Know (Cover) by Walk Off The Earth

Now and then I think of when we (1) together	Now I don't wanna live that way
Like when you (2) you felt so (3) you	Reading into every word you say
could die	You said that you could let it go
Told myself that you were right for me	And I wouldn't catch you (16) up
But felt so (4) in your company	On (17) that you used to know
But that was (5) and it's an ache I still remember	But you didn't have to cut me off
You can get addicted to a (6) kind of	Make out like it never happened and that we were nothing
sadness	And I don't even (18) your love
Like resignation to the end, always the end	You treat me like a stranger and that feels so rough
So (7) we found that we could not make sense	No, you didn't have to stoop so low
Well, you said that we (8) still be friends	Have your friends collect (19) records
But I'll (9) that I was glad that it was over	And then (20) (21) number
But you didn't have to cut me off	I guess that I don't need that though
Make out like it never happened and (10) we were	Now you're just somebody (22) I used to know
nothing	Somebody (I used to know)
And I don't even need your love	Now you're just somebody that I used to know
You treat me like a stranger and that feels so rough	Somebody (I used to know)
No, you didn't have to stoop so low	Now you're (23) somebody (24) I used
Have your friends collect your records	to know
And then (11) your number	I (25) to know
I guess that I don't need that though	That I (26) to know
Now you're just (12) (13) I	I used to know, somebody
used to know	
Now you're just somebody that I used to know	
Now you're just somebody (14) I used to know	
Now and then I think of all the times you screwed me over	
But had me (15) it was always	
something that I'd done
