Somebody That I Used To Know (Cover) by Walk Off The Earth

Now and then I think of when we were together	Now I don't wanna live that way
Like when you said you felt so happy you could die	Reading into every word you say
Told myself that you were right for me	You said that you could let it go
But felt so lonely in your company	And I wouldn't catch you hung up
But that was love and it's an ache I still remember	On somebody that you used to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like resignation to the end, (1) the end	Make out like it never happened and that we (5)
So when we found that we could not (2) sense	nothing
Well, you said that we would still be friends	And I don't even (6) (7) love
But I'll admit that I was glad that it was over	You treat me like a (8) and that feels so
But you didn't have to cut me off	rough
Make out (3) it never happened and that we were	No, you didn't have to stoop so low
nothing	Have your friends collect your records
And I don't even need your love	And then change your number
You treat me like a (4) and that feels so	I guess that I don't need that though
rough	Now you're just somebody that I used to know
No, you didn't have to stoop so low	Somebody (I used to know)
Have your friends collect your records	Now you're just somebody that I used to know
And then change your number	Somebody (I used to know)
I guess that I don't need that though	Now you're just somebody that I (9) to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I used to know	I (10) to know, somebody
Now and then I think of all the times you screwed me over
