Mississippi in the middle of a dry spell	A new religi
Jimmy Rodgers on the Victrola up high	Black velvet
Mama's dancing with baby on her shoulder	Every word
The sun is setting like molasses in the sky	was for you
The boy could sing knew how to move everything	In a flash he
Always wanting more	It happened
He'd leave you longing for	What could
Black velvet and that little boy smile	Black velvet
Black velvet with that slow southern style	Black velvet
A new religion that'll bring her to your knees	A new religi
Black velvet if you please	Black velvet
Up in Memphis the music's (1) a heat wave	If you please
White lightning (2) to drive you wild	Black velvet
Mama's baby is in the heart of every school girl	Black velvet
Love me tender (3) them crying in the aisle	A new religi
The way he moved, it was a sin	Black velvet
So sweet and true	If you please
Always wanting more	If you please
He'd leave you (4) for	If you please
Black velvet and (5) little boy smile	If you please
Black velvet and that slow southern style
