

Fill in the gaps

Where Is The Love? by Black Eyed Peas

What's wrong with the world mama?	The (17) is kept secret
People (1) like aint got no mamas	Swept under the rug
I think the whole worlds addicted to the drama	If you never know (18)
Only attracted to the things that bring you trauma	Then you (19) know love
Overseas yeah we tryin to stop terrorism	Where's the (20) y'all?(I don't know)
But we (2) got terrorists here livin	Where's the truth y'all?(I don't know)
In the USA the big CIA the (3) and the Crips	Where's the love y'all?
and the KKK	People killing people dying
But if you (4) have love for your own race	Children hurtin you hear them crying
Then you only leave space to discriminate	Can practice (21) you preach
And to discriminate (5) generates hate	Would you turn the other cheek?
And if you hatin you're bound to get irate	Father father help us
Yeah madness is what you demonstrate	Send some guidance from above
And that's exactly how anger works and operates	Cause people got me got me questioning
You gotta (6) love (7) to set it straight	Where is the love?(where is the lovex3)(the lovex2)
Take control of your mind and meditate	I (22) the weight of the world on my shoulder
Let your soul gravitate to the love y'all	As I'm getting (23) y'all people get colder
People killing people dying	Most of us only care about money makin
Children hurtin you hear them crying	Selfishness got us followin the wrong direction
Can you practice what you preach	Wrong information always shown by the media
Would you turn the other cheek?	Negative images is the main criteria
Father Father help us	Infecting their young (24) faster than bacteria
Send some guidance from above	Kids wanna act like what the see in the cinema
Cause (8) got me got me questioning	Whatever happened to the values of humanity
Where is the love?(where is the lovex3)(the love2x)	Whatever happened to the fairness and equality
It just ain't the same all ways (9) changed	Instead of (25) love, we're spreading
New days are strange is the world the insane?	anomosity
If love and peace so strong	Lack of understanding, leading us away (26) unity
Why are (10) pieces of love that don't belong	That's the (27) why sometimes I'm feeling
Nations dropping bombs	under
Chemical gases filling lungs of little ones	That's the reason why sometimes I'm feeling down
With ongoing suffering	It's no wonder why sometimes I'm feeling under
As the youth die young	I (28) keep my faith alive, until love is found
So ask yourself is the (11) really strong?	People killing people dying
So I can ask myself really what is going wrong	Children hurtin you hear them crying
With this (12) (13) we living in	Can you practice what you preach
People keep on (14) in	Would you turn the other cheek?
Makin wrong decisions	Father Father help us
Only (15) of (16) livin and	Send some guidance from above
Not respecting each other	Cause people got me got me (29)
Deny thy brother	
The wars' going on but the reasons' undercover	Where is the love?(fade)
