Where Is The Love? by Black Eyed Peas

What's wrong with the world mama?	The truth is kept secret
People living like aint got no mamas	Swept under the rug
I think the whole worlds addicted to the drama	If you never know truth
Only attracted to the things that bring you trauma	Then you never know love
Overseas yeah we tryin to stop terrorism	Where's the love y'all?(I don't know)
But we still got terrorists here livin	Where's the truth y'all?(I don't know)
In the USA the big CIA the Bloodz and the Crips and the KKK	Where's the love y'all?
But if you only have love for your own race	People killing people dying
Then you only leave space to discriminate	Children hurtin you hear them crying
And to discriminate only generates hate	Can (7) what you preach
And if you (1) you're bound to get irate	Would you turn the other cheek?
Yeah madness is what you demonstrate	Father father help us
And that's exactly how anger works and operates	Send some guidance from above
You gotta have (2) just to set it straight	Cause people got me got me questioning
Take control of your mind and meditate	Where is the love?(where is the lovex3)(the lovex2)
Let your soul gravitate to the love y'all	I feel the weight of the world on my shoulder
People killing people dying	As I'm getting older y'all people get colder
Children hurtin you hear them crying	Most of us only care about money makin
Can you practice what you preach	Selfishness got us followin the wrong direction
Would you turn the other cheek?	Wrong information always shown by the media
Father Father help us	Negative images is the main criteria
Send (3) guidance from above	Infecting their young minds faster than bacteria
Cause people got me got me questioning	Kids wanna act like what the see in the cinema
Where is the love?(where is the lovex3)(the love2x)	Whatever (8) to the values of humanity
It just ain't the same all (4) have changed	Whatever happened to the fairness and equality
New days are strange is the world the insane?	Instead of spreading love, we're spreading anomosity
If love and peace so strong	Lack of understanding, leading us away from unity
Why are (5) (6) of love that	That's the reason why sometimes I'm feeling under
don't belong	That's the reason why sometimes I'm feeling down
Nations dropping bombs	It's no wonder why sometimes I'm feeling under
Chemical gases filling lungs of little ones	I gotta keep my faith alive, until love is found
With ongoing suffering	People killing people dying
As the youth die young	Children hurtin you hear them crying
So ask yourself is the loving really strong?	Can you practice what you preach
So I can ask myself really what is going wrong	Would you turn the other cheek?
With this world that we living in	Father Father help us
People keep on giving in	Send (9) (10) from above
Makin wrong decisions	Cause people got me got me questioning
Only visions of them livin and	Where is the love?(fade)
