The wind swept through the valley And you don't get over a broken heart You just (9)_____ to carry it gracefully The Edinburgh Gardens offered Some (10)_____ of shade I would pick up some beers And head down there late Watch the possums and listen To their (11)_____ banter There was one I liked especially I (12)____ her Sam as in Samantha I offered a (13)_____ of apple from my hand She (14)_____ sniff it, frown And (15)_____ lumber back to the (16)____ can I was going uphill on my Malvern Star When I was passed by a scooter You got a dollar or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I said was "get lost" Next (17)_____ I'm upside-down with my bike in the dust Spitting dirt all the way home Cursing the very ground (18)_____ I was (19)_____ on And the sun rose over the city The wind swept (20)_____ the valley And you don't get over a broken heart You (21)_____ learn to carry it gracefully And that's what it's like

When you've had your heart broken

The world just shrugs its shoulders

And gets going

It just moves on in all its sadness and glory
Over dinner (22) a friend
I tell her my story
And as I finally put the book
Back on the shelf
She says
Maybe it's time you take a look at yourself
No one's born an ******
It takes a lot of hard work
But God knows I've worked my ass off
To be a jerk
So many hands I've held
While wondering why I felt nothing
And why, when I let go of that hand
I always start to (23) something
And like a bottle smashed against my head
She'd say
I wish you just would've cheated on me instead
And loving without loving
Is always the worst crime
I know all the signs and signals
'Cause now I've been on (24) sides
The way you (25) your words
The limpness of (26) hand
I (27) died when you introduced me as a friend
How can you call me a friend?
If you don't love me
Then please have the dignity to tell me
But I never said any of that

I just shook that hand

The wind (28)_____ through the valley

And you don't get over a broken heart

You just learn to carry it gracefully
