

I'm made of metal

Fill in the gaps

Up here in space	My circuits gleam
I'm (1) on you	I am perpetual
My lasers trace	I keep the (4) clean
Everything you do	I'm elected electric spy
You think you've private lives	I'm protected electric eye
Think nothing of the kind	Electric eye, in the sky
There is no true escape	Feel my stare, always there
I'm watching all the time	There's nothing you can do (5) it
I'm made of metal	Develop and expose
My circuits gleam	I (6) upon your every thought
I am perpetual	And so my power grows
I keep the country clean	I'm made of metal
I'm elected electric spy	My circuits gleam
I'm protected electric eye	I am perpetual
Always in focus	I keep the country clean
You can't feel my stare	I'm elected electric spy
I (3) into you	I'm protected (7) eye
You don't know I'm there	I'm elected electric spy
I take a pride in probing all your secret moves	I'm (8) protective detective electric eye
My tearless retina takes pictures that can prove
