

I put it in her wind pipe

## Fill in the gaps

You're like ice	We do it till we both exhausted
I-C-E	Twin pipes, (7) under her stomach
Feels so nice	The other pillow she bites
Scorching me	Would you like anything
You're so hot, hot, hot	'Cause I'll do anything you like
Baby (1) love is so hot, hot, hot	(Erm) I make her freeze up
Pull up	Pick her knees up
She been purring like a kitten craving your love	She want a made nigga
I've been counting on down the days you've been gone	Watch me (8) up
A little too long, patient as	I know where to put it
Knowing exactly what it is	I put it in her life
It lasts time, and now	I leave that (****) smoking
When you	Smoking like ice (you're like) ice (Tunechi)
Come and lay between it (2) time	I-C-E
Take the ice cube, boy you know what	Feels so nice
Sit it right (3) my navel and watch	Scorching me (young Mulla, babe)
What I do, that's yours	You're so hot, hot, hot
And that's my favorite angle	Baby your love is so hot, hot, hot (I had that come back)
My legs are numb now	You put the pillow right there
Your loving be giving me chills (you're like)	Underneath my back
Ice	Got me up against the window (right now)
I-C-E	We ain't got no shame we going in
Feels so nice	(He hates it when I use my hands)
Scorching me	He got me saying like damn my man
You're so hot, hot, hot (me and Ms Kelly)	Knows what he's doing
Baby your love is so hot, hot, hot (on another track)	The mirrors, the mirrors
(Uh) ice, ice baby	Up on the ceiling, got things so (9) (so visual)
Shake that ass just (4) dice baby, you hot	And babe I ain't never feel so right, yeah
And I'm Tunechi, I (5) that cat	He comes again my body going numb
Animal cruelty, I'm colder than your man	Hot as ice, can't get enough (you're like)
He (6) be your ex	Ice
Now throw that ass back	I-C-E
Like we playing pitch and catch	Feels so nice
(****) right	Scorching me
And all your hear is what's my name, it's your (****)	You're so hot, hot, hot
Sweet tooth	Baby your love is so hot, hot, hot
Roll tussy if you are what you eat I'm so (****)	You're like ice
I'm skating on thin ice
