| You and I walk a fragile line | Something's gone terribly wrong |
|---|--------------------------------------|
| I have (1) it all (2) time | You're all I wanted |
| But, I (3) thought I'd live to see it break | Come on, come on |
| It's getting dark and its all too quiet | Don't leave me like this |
| And I can't trust anything now | I (19) I had you figured out |
| And it's coming over you (4) it's all a big mistake | Can't breathe whenever you're gone |
| (Oh oh) holding my breath | Can't turn (20) now |
| Won't lose you again | I'm haunted |
| Something's made your (5) go cold | I know, I know |
| Come on, (6) on | I (21) know |
| Don't leave me like this | You're not gone |
| I (7) I had you (8) out | You can't be gone |
| Something's gone (9) wrong | No |
| You're all I wanted | Come on, come on |
| Come on, (10) on | Don't leave me like this |
| Don't leave me (11) this | I thought I had you (22) out |
| I thought I had you figured out | Something's gone terribly wrong |
| Can't (12) whenever you're gone | Won't finish what you started |
| Can't turn back now | Come on, come on |
| I'm haunted | Don't leave me like this |
| Stood (13) and watch you walk away | I thought I had you figured out |
| From everything we had | Can't (23) you're |
| But, I still (14) every word I said to you | gone |
| He will try to take away my pain | Can't go back |
| And he just might (15) me smile | I'm haunted |
| But, the whole time I'm wishing he was you instead | |
| (Oh oh) holding my breath | You and I walk a (25) line |
| Won't see you again | I have known it all this time |
| Something (16) me holding onto nothing | But I never thought I'd see it break |

| Don't leave me like this | |
| I (17) I had you (18) out | |
