

Together we cry

Man's world

## Fill in the gaps

Together we cry			
Jenny was a poor girl			
Living in a rich world			
Named her baby Hope when she was just fourteen			
She was hoping for a better world			
For this little girl			
But the apple doesn't fall too far from the tree			
Well she gets that call, hope's too far gone			
Her baby's on the way			
But nothing left inside			
Together we cry (together we cry)			
What about the junk head			
Could have gone the whole way			
Lighting up the stage trying to get a deal			
Now he's (1) up the wrong way			
Something for the pain			
Man you wanna see this kid he was so () unreal			
When he gets that call he's too far gone			
To get it (2) to sing one song			
They won't hear tonight			
The words of a lullaby			
Together we cry			
(Yeah, yeah)			
Together we cry			
Together we cry			
Oh we cry, we cry			
(Oh we cry, we cry)			
Together we cry			
Mary's ambitious, she wanna be a politician			
She been dreaming about it since she was a girl			
She thought that she'd be the one			
Who could change the world			
Always trying to pave the way for women in a			

But life happened, house, kids, two cars				
Husband hits the jar				
Cheques that don't go very far now				
Now she in it, can't change it				
She (3) her (4) on her wages				
The only rattling cages are her own				
(Together we cry)				
Together we cry				
There's so much sad gonna flood an ocean

Together we cry, oh we cry, we cry, oh we cry
