## Don't Love You No More (I'm Sorry) by Craig David

For all the (1) that I've known you baby	I can see a tear roll down your face
I can't figure out the reason why lately	That's when you turned and (17) to me
You've been acting so cold (didn't you say)	I don't care (18) who's right or wrong
If there's a (2) we should work it out	I just don't love you no more
So why you giving me the (3) shoulder now	Rain (19) my (20) pouring
Like you don't even want to talk to me girl, tell me	down
Ok I know I was late again	What now, you're gone, my fault, I'm sorry
I made you mad and (4) thrown in (the bin)	Feeling like a fool 'cause I let you down
But why you making (5) (6) drag on	Now it's too late to turn it around
so long	I'm sorry for the tears I've made you cry
I wanna know	I guess this time it really is goodbye
I'm sick and tired of this silly game (silly games)	You made it clear when you said
Don't think that I'm the only one (7) to blame	(I (21) don't love you no more)
It's not me who's been going (8) slamming doors	Those (22) words hit so hard
That's when you turned and said to me	They turned my whole (23) (24)
I don't care babe who's right or wrong	down
I just don't (9) you no more	Girl, you caught me completely off guard
Rain outside my window pouring down	On that night you said to me
What now, you're gone, my fault, I'm sorry	I just don't (25) you no more
Feeling like a fool 'cause I let you down	Rain (26) my window pouring down
Now it's too (10) to turn it around	What now, you're gone, my fault, I'm sorry
I'm sorry for the (11) I've made you cry	Feeling like a fool 'cause I let you down
I guess (12) time it really is goodbye	Now it's too late to turn it around
You made it (13) you said	I'm sorry for the tears I've made you cry
I just don't love you no more	I guess this time it really is goodbye
I (15) that I've made a few mistakes	You made it clear (27) you said
But never thought that (16) would turn out this	I just don't love you no more
way	Rain outside my (28) pouring down
Doesn't make sense to me now that you're gone	What now, you're gone, my fault, I'm sorry
(I see it all so clearly)	Feeling like a fool 'cause I let you down
