#### Don't Love You No More (I'm Sorry) by Craig David

For all the years that I've known you baby	I can see a tear roll down your face
I can't figure out the reason why lately	That's when you turned and said to me
You've been acting so cold (didn't you say)	I don't care babe who's right or wrong
If there's a problem we should work it out	I (5) don't (6) you no more
So why you giving me the cold shoulder now	Rain outside my window pouring down
Like you don't even want to talk to me girl, tell me	What now, you're gone, my fault, I'm sorry
Ok I know I was late again	Feeling like a fool 'cause I let you down
I made you mad and (1) thrown in (the bin)	Now it's too late to turn it around
But why you making this thing drag on so long	I'm sorry for the tears I've made you cry
I wanna know	I guess this time it really is goodbye
I'm sick and tired of this silly game (silly games)	You (7) it clear when you said
Don't think that I'm the only one here to blame	(I just don't love you no more)
It's not me who's (2) going round slamming doors	Those simple words hit so hard
That's when you turned and said to me	They turned my whole world upside down
I don't care babe who's right or wrong	Girl, you caught me completely off guard
I just don't love you no more	On that night you said to me
Rain outside my window pouring down	I just don't love you no more
What now, you're gone, my fault, I'm sorry	Rain outside my window (8) dow
Feeling like a fool 'cause I let you down	What now, you're gone, my fault, I'm sorry
Now it's too late to turn it around	Feeling like a fool 'cause I let you down
I'm sorry for the tears I've made you cry	Now it's too late to turn it around
I guess this time it really is goodbye	I'm sorry for the tears I've made you cry
You made it clear when you said	I guess (9) time it really is goodbye
I just don't love you no more	You made it clear when you said
I know that I've (3) a few mistakes	I just don't love you no more
But never thought that things would turn out this way	Rain outside my window pouring down
Doesn't make sense to me now (4) you're gone	What now, you're gone, my fault, I'm sorry
(I see it all so clearly)	Feeling like a fool 'cause I let you down
Me at the door with you in a state (in a state)	
Giving my reasons but as you look away
