vveicome to the planet	i dare you to lift yourself up off the floor
Welcome to existence	I dare you to move
Everyone's here	I (8) you to move
Everyone's here	Like (9) never happened
Everybody's watching you now	Today (10) happened
Everybody waits for you now	Maybe redemption has stories to tell
What (1) next	Maybe forgiveness is (11) yo
What (2) next	fell
I dare you to move	Where can you run to escape from yourself?
I (3) you to move	Where you gonna go?
I dare you to lift yourself up off the floor	Where you gonna go?
I dare you to move	Salvation is here
I (4) you to move	I (13) you to move
Like today never happened	I (14) you to move
Today (5) before	I dare you to lift yourself
Welcome to the fallout	To lift yourself up off the floor
Welcome to resistance	I (15) you to move
The tension is here	I dare you to move like (16) (17)
The (7) is here	happened
Between who you are and who you could be	Today never happened
Between how it is and how it should be	Today never happened
I dare you to move	Today never happened before
I dare you to move
