I just wanted you to comfort me		Just to think inside of me		
hen I (1) you late last night you see		I had no idea how this could be		
I was falling into love		Now I'm crazy for your love		
Yes I was crashing into love		The words you said just (6)	to me	
Of all the words you said to me		And you showed me (7)	I (8)	be
About "Life," "The Truth," and "Being Free"		You sang to me		
Yeah you sang to me		Oh you sang to me		
Oh how you sang to me		All the while		
Girl I live for how you make me feel		You were in front of me		
So I question all this being real		I never realized		
Cause I'm not afraid of love		I just can't believe		
For the first time Im not afraid to love		I didn't see it		
This day seems made for you and me		In (9) eyes		
And you should me what (2)	_ needs to be	I didn't see it		
Yeah you sang to me		I can't believe it		
Oh you sang to me		Oh but I feel it		
All the while		When you sing to me		
You were in front of me		How I long		
I never realized		To hear you sing		
I just can't believe I didn't see it In your eyes		Beneath the clear blue skies		
		And I promise you This time I'll see it		
I can't believe it		I didn't see it		
Oh but I feel it		I can't believe it		
When you sing to me		Oh but I feel it		
How I long		When you sing to me		
To hear you (3)		Just to think inside of me		
Beneath the clear (4) skies		I had no idea how this could be		
And I promise you		Now I'm crazy for your love		
This time I'll see it		The words you said just (10) to me		
In your eyes		And you showed me where I wanna be
