

## Fill in the gaps

Tryin' to say I'm sorry	The (19) I never (20) you
I didn't (1) to break (2) heart	Seem to (21) easily
And find you waitin' up by the light of day	'Cause you're (22) to me
There's a lot I want to tell you	It's gonna (23) a little (24) to show you
But I don't know (3) to start	Just what you mean to me
And I don't know (4) I'd do if you walked away	Oh yeah
(Ooh) baby I tried to make it	It seems the more I get to know you
I just got lost along the way	The more I need to make you see
But (5) (6) I (7) at you	You're everything I need, yeah
No (8) what I'm goin' thru	
It's (9) to see	I (25) you, I need you
And every (10) I (11) you	I (26) you, I need you yeah, yeah
The things I never told you	(Ooh) baby, baby, I know I hurt you
Seem to come easily	But you can still believe in me
'Cause you're (12) to me	'Cause every time I look at you
I never (13) wanted to let you get inside my	No matter what I'm goin' thru
heart	It's easy to see
I wanted to believe this (14) soon be ending	And every time I hold you
I (15) it wouldn't matter	The things I never (27) you
If it all just came apart	Seem to come easily
But now I realize I was just pretending	'Cause you're everything to me
(Ooh) baby, I (16) I hurt you	You're everything to me
But you can still believe in me	You're everything to me
'Cause every (17) I look at you	
No matter what I'm goin' thru	
It's easy to see	
And every (18) I hold
