

Fill in the gaps

Tryin' to say I'm sorry	The things I never told you
I didn't mean to (1) your heart	Seem to come easily
And find you waitin' up by the light of day	'Cause you're everything to me
There's a lot I want to tell you	It's (6) to
But I don't know where to start	show you
And I don't (2) what I'd do if you walked away	Just what you mean to me
(Ooh) baby I tried to make it	Oh yeah
I just got (3) along the way	It seems the more I get to know you
But every time I look at you	The more I need to (9) you see
No matter what I'm goin' thru	You're everything I need, yeah
It's easy to see	
And every (4) I hold you	I need you, I need you
The things I never told you	I need you, I need you yeah, yeah
Seem to come easily	(Ooh) baby, baby, baby, I know I hurt you
'Cause you're everything to me	But you can still believe in me
I never really wanted to let you get inside my heart	'Cause every time I look at you
I wanted to believe this would (5) be ending	No matter what I'm goin' thru
I thought it wouldn't matter	It's easy to see
If it all just came apart	And every time I hold you
But now I realize I was just pretending	The things I never told you
(Ooh) baby, I know I hurt you	Seem to come easily
But you can still believe in me	'Cause you're everything to me
'Cause every time I look at you	You're everything to me
No matter what I'm goin' thru	You're everything to me
It's easy to see	
And every time I hold
