

## Fill in the gaps

Last Christmas i gave you my neart	(On, on Baby)
But the (1) next day you gave it away	A crowded room, (6) with (7)
This year, to save me from tears	eyes
I'll give it to (2) special	I'm hiding from you and (8) soul of ice
Last (3) I gave you my heart	My God I thought you were someone to rely on
But the very next day you gave it away	Me? I guess I was a shoulder to cry on
This year, to save me from tears	A face on a lover with a fire in his heart
I'll give it to someone special (special)	A man undercover but you tore me apart
Once bitten and twice shy	(Oh, oh)
I keep my distance but you still catch my eye	Now I've found a real love, you'll never fool me again
Tell me baby, do you recognise me?	Last Christmas I gave you my heart
Well it's been a year, it doesn't surprise me	But the very next day you gave it away
I wrapped it up and sent it	This year, to (9) me from tears
With a note saying "I love you" I meant it	I'll give it to someone special (special)
Now I know what a (4) I've been	Last Christmas I gave you my heart
But if you (5) me now I know you'd fool me	But the very next day you gave it away
again	This year, to save me from tears
Last Christmas I gave you my heart	I'll give it to someone special (special)
But the very next day you gave it away	A face on a lover with a fire in his heart
This year, to save me from tears	A man undercover but you tore me apart
I'll give it to someone special (special)	I'll give it to someone
Last Christmas I gave you my heart	I'll give it to someone (10) (special)
But the very next day you gave it away	
This year, to save me from tears	
I'll give it to someone special (special)
