There was a man back in ninety five		
Whose heart ran out of summers but before he died		
I asked him, wait, what's the sense in life		
Come over me, come over me		
He said, son why you got to sing that tune		
Catch a Dylan song or some eclipse of the moon		
Let an angel swing and make you swoon		
Then you will see, you will see		
Then he said, here's a riddle for you		
Find the answer		
There's a (1) for the world		
You and I		
Picked up my kid (2) school today		
Did you learn anything 'cause in the world today		
You can't live in a castle far away		
Now talk to me, come talk to me		
He said, dad I'm big, but we're smaller than small		
In the scheme of things, (3) we're nothing at all		
Still (4) mother's (5)		
(6) a (7) song		
So play with me, come play with me		
And hey dad, here's a riddle for you		
Find the answer		
There's a reason for the world		
You and I		
I said, son for all I've told you		

When you get right down to the		
Reason for the world who am I		
There are (8) the	at we	
Still have left to find		
There have been mysteries		
From the beginning of time		
There are answers		
We're not wise enough to see		
He said, you looking for a clue		
I love you free		
The batter (9) and	the summer flies	
As I look into my angel's eyes		
A song plays on while the moon is hiding		
Over me, (10)	comes over me	
I guess we're big and I guess we're small		
If you think about it, man you know we got it all		
'Cause we're all we got on this bouncing ball		
And I love you free, I love you freely		
Here's a riddle for you
