A Girl Like You by Edwyn Collins

Fill in the gaps

ve (1) known a girl (2) you before
Now just like in a song (3) (4) of Yore
Here you come knocking, knocking on my door
And I've never met a girl like you before
You give me just a taste so I want more
And my hands are bleeding and my knees are raw
Cause now you got me crawling, crawling on the floor
And I've never known a girl (5) you before
You've made me acknowledge the devil in me
hope to God I'm talking metaphorically
Hope that I'm (6) allegorically
Know that I'm talking about the way I feel
And I've (7) known a girl like you before
Never, never, never
Never known a (8) like you before
This old town's changed so much
Don't feel like I belong
Too many protest singers
Not enough protest songs
And now you've come along
Yes you've come along
And I've never met a girl like you before
t's all right, yeah
t's all right, yeah
t's all right, yeah

It's all right, yeah

It's all right, yeah It's all right, yeah
