## Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats come out the bats come out to play, yeah
I'll be the same when it all (1) up	In the morning after
I'll be the same when it all goes down	The dawn is here, be gone, be on your way, yeah
Not the first one (2) it up	In the morning after dark
I'll be the last one closing it out	Go Nelly
Don't (3) if I'll give you a shot yet	I need some R.E.M. but
Little mama, I'm peeping your style	I don't like sleeping alone
Do I think you're dope enough (yup)	So come and pick me up as
One way of finding it out	Soon as you put down the phone
The way you came at me (boo)	I wanna get into trouble
Don't care, not afraid, I'm like wild	Later you'll carry me home
Really want it from head to toe	l wanna go undercover
Question if she gonna let it out	l just wanna rattle your bones
Anyway the hour glass go	Yes, I'm the one and only but I'm not the only one
I don't worry anyhow	So let's work overtime on this shift, it ends with the sun
Why don't we see where it go	Maybe we can start a riot
Let's figure it out	Maybe we can run this town
When the cats come out the bats come out to play, yeah	Maybe I'll be your vampire
In the morning after	We could figure it out
The dawn is here, be gone, be on your way, yeah	When the cats (6) out the bats come out to play,
In the morning after	yeah
When the cats come out the bats come out to play, yeah	In the morning after
	The device in the second the second second
In the morning after	The dawn is here, be gone, be on your way, yeah
