## Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats come out the bats come out to play, yeah
I'll be the same when it all goes up	In the morning after
I'll be the (1) when it all goes down	The dawn is here, be gone, be on your way, yeah
Not the first one open it up	In the (5) after dark
I'll be the last one closing it out	Go Nelly
Don't know if I'll give you a (2) yet	I need some R.E.M. but
Little mama, I'm peeping your style	I don't like sleeping alone
Do I think you're dope enough (yup)	So (6) and pick me up as
One way of finding it out	Soon as you put down the phone
The way you came at me (boo)	I wanna get (7) trouble
Don't care, not afraid, I'm like wild	Later you'll carry me home
Really (3) it (4) head to toe	I wanna go undercover
Question if she gonna let it out	l just wanna rattle your bones
Anyway the hour glass go	Yes, I'm the one and only but I'm not the only one
I don't worry anyhow	So let's work overtime on this shift, it ends with the sun
Why don't we see where it go	Maybe we can start a riot
Let's figure it out	Maybe we can run this town
When the cats come out the bats come out to play, yeah	Maybe I'll be your vampire
In the morning after	We could figure it out
The dawn is here, be gone, be on your way, yeah	When the cats come out the bats come out to play, yeah
In the morning after	In the morning after
When the cats come out the bats come out to play, yeah	The dawn is here, be gone, be on your way, yeah
In the morning after	In the morning after
