

## Fill in the gaps

Give me time to reason	if only I could turn back time
Give me time to think it through	I would stay
Passing through the season	The bolt reminds me I was there
Where I cheated you	The bolt reminds me I was there
I will always have a cross to wear	If only I could turn back time
But the bolt reminds me I was there	If only I had said (7) I (8) hide
So give me strength	If only I could turn back time
To face this test tonight	I would stay for the night
If only I (1) turn back time	If only I could turn back time
If only I had said what I still hide	If only I had said what I still hide
If only I could turn back time	If only I could turn back time
I would stay for the night	I would stay for the night
For the night	If only I could (if only I could)
Claim (2) right to science	If only I could (if only I could)
Claim your right to see the truth	If only I could (9) back time
Though my pangs of conscience	I would stay for the night
Will drill a hole in you	If only I could (if only I could)
I seen it coming like a thief in the night	If only I (10) (if only I could)
I seen it (3) (4) the flash of your	If only I could turn back time
light	I would stay for the night
So give me strength	If only I could (if only I could)
To (5) this test tonight	
If only I could (6) back time	
If only I had said what I still hide
