

## Fill in the gaps

Give me time to reason	If only I could turn back time
Give me time to (1) it through	I would stay
Passing through the season	The bolt reminds me I was there
Where I cheated you	The bolt reminds me I was there
I will always (2) a cross to wear	If (14) I (15) (16)
But the (3) reminds me I was there	(17) time
So give me strength	If (18) I had (19) what I still hide
To face this test tonight	If (20) I (21) turn back time
If only I could turn back time	I would stay for the night
If only I had said what I still hide	If only I (22) turn back time
If (4) I could (5) back time	If only I had said (23) I still hide
I would stay for the night	If (24) I could turn back time
For the night	I would stay for the night
Claim (6) right to science	If only I could (if only I could)
Claim your right to see the truth	If only I could (if only I could)
Though my pangs of conscience	If (25) I could turn back time
Will (7) a hole in you	I would (26) for the night
I seen it (8) a thief in the night	If only I could (if only I could)
I seen it coming from the flash of your light	If only I could (if only I could)
So give me strength	If only I could turn back time
To face (10) test tonight	I would stay for the night
If (11) I could turn (12) time	If only I could (if only I could)
If (13) I had said what I still hide
