

Fill in the gaps

Close your tired eyes	But not this time
Relaxing them	When the sun goes down
Count from 1 to 10 and open them	And the (10) burn out
All these heavy thoughts (1) try to (2)	Then it's time for you to shine
you down	Brighter than a (11) star
But not this time	So shine no matter where you are
Way up in the air	Fill the (12) night
You're finally free	With a brilliant light
And you can stay up there	'Cause it's (13) for you to shine
Right next to me	Brighter (14) a shooting star
All this gravity will try to pull you down	So shine no matter where you are
But not this time	Tonight
When the sun goes down	(Wooh, wooh, wooh)
And the (3) burn out	Brighter (15) a shooting star
Then it's time for you to shine	Shine no (16) (17) you are
Brighter than a shooting star	Tonight
So shine no matter (4) you are	A (18)(19)
Fill the darkest night	beating time
With a brilliant light	And makes this dark (20) (21)
'Cause it's time for you to shine	alive
Brighter than a shooting star	So when the lights flicker out tonight
So shine no matter where you are	You gotta shine
Tonight	When the sun goes down
(Wooh, wooh, wooh)	And the lights burn out
Brighter than a (5) star	Then it's time for you to shine
Shine no (6) where you are	Brighter than a (22) star
Tonight	So shine no matter where you are
Gazing through my eyes	Fill the darkest night
When the (7) starts	With a brilliant light
And fan the flame so hot	'Cause it's (23) for you to shine
It (8) our hearts	Brighter than a (24) star
All the pouring rain	So shine no matter where you are
Will try to put it out	Tonight
But not this time	(Wooh, wooh, wooh)
Let your colours burn	Brighter than a shooting star
And brightly burst	Shine no matter (25) you are
Into a million sparks	Tonight
But all dispersed and (9) a	world
That'll try to bring you down
