# Shooting Star by Owl City

Close your tired eyes

Relaxing them

Count from 1 to 10 and open them

All these heavy (1)_____ will try to weigh you down

But not this time

Way up in the air

You're finally free

And you can stay up there

Right next to me

All this gravity will try to pull you down

But not this time

When the sun goes down

And the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night

With a brilliant light

'Cause it's time for you to shine

Brighter than a shooting star

So shine no matter (2)_____ you are

Tonight

(Wooh, wooh, wooh)

Brighter than a shooting star

Shine no matter where you are

Tonight

Gazing through my eyes

When the fire starts

And fan the flame so hot

It melt our hearts

All the pouring rain

Will try to put it out

But not this time

Let (3)_____ colours burn

And brightly burst

Into a million sparks

But all dispersed and illuminate a world

That'll try to bring you down

But not this time

When the sun goes down

And the (4)_____ burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night

With a brilliant light

'Cause it's time for you to shine

Brighter than a shooting star

So shine no (5)_____ where you are

Tonight

(Wooh, wooh, wooh)

Brighter than a (6)_____ star

Shine no matter where you are

Tonight

A thousand heartbeats beating time

And makes this (7)_____ planet come alive

So when the (8)_____ flicker out tonight

You gotta shine...

When the sun goes down

And the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night

With a brilliant light

'Cause it's (9)_____ for you to shine

Brighter than a shooting star

So shine no matter where you are

Tonight

(Wooh, wooh, wooh)

Brighter than a shooting star

Shine no matter where you are

Tonight

Answer

1. thoughts
2. where
3. your
4. lights
5. matter
6. shooting
7. dark
8. lights
9. time
