Chasing Satellites by Thomas Fiss

(Oh, oh, oh)	Watch us burn
They tell us we (1) too young	Watch us burn from chasing satellites
Every single day	(Oh, oh, oh)
We'd stand beside the ocean	Watch us burn from chasing satellites
Just to drift away	(Oh, oh, oh)
You're eyes we're out of focus	Watch us (18) from chasing satellites
They (2) me away	We (19) it more, the (20) the
(Oh no, oh no)	chase
We're (3) satellites	It was too bright to look away
Watch us burn the city tonight	(Oh) how we burned up through space
We throw our hearts to the sky	They thought we we're lost
Watch us burn	But, we're chasing satellites
Watch us (4) (5) chasing satellites	Watch us burn the city tonight
(Oh, oh, oh)	We throw our (21) to the sky
Watch us burn from (6) satellites	Watch us burn
(Oh, oh, oh)	Watch us burn from chasing satellites
Watch us (7) from (8) satellites	(Oh, oh, oh)
Just lie (9) the stars	Watch us burn from chasing satellites
And our (10) will (11) the way	(Oh, oh, oh)
Every single love (12) be the one that got away	Watch us burn (22) chasing satellites
We livin' like (13) young	(Oh, oh, oh)
And (14) better every day	Watch us (23) from chasing satellites
(Oh no, oh no)	(Oh, oh, oh)
We're (15) satellites	Watch us burn (24) chasing satellites
Watch us burn the city tonight	
We (16) our (17) to the sky
