

We throw our hearts to the sky

Fill in the gaps

(Oh, oh, oh)			Watch us burn		
They tell us we were too young			Watch us burn (5)_	chasing satellites	
Every single day			(Oh, oh, oh)		
We'd stand beside the ocean			Watch us burn from chasing satellites		
Just to drift away			(Oh, oh, oh)		
You're eyes (1)	e eyes (1) out of focus		Watch us burn from chasing satellites		
They carried me away Oh no, oh no)			We want it more, the faster the chase		
			It was too bright to look away		
We're chasing satellites			(Oh) how we burned up through space		
Watch us burn the (2) tonight			They thought we we're lost		
We throw our hearts to the sky			But, we're (6)	satellites	
Watch us burn			Watch us burn the city tonight		
Watch us (3) from chasing satellites			We throw our hearts to the sky		
(Oh, oh, oh)			Watch us burn		
Watch us burn from chasing satellites			Watch us burn from chasing satellites		
(Oh, oh, oh)			(Oh, oh, oh)		
Watch us burn from chasing satellites			Watch us (7)	from chasing satellites	
Just lie under the stars			(Oh, oh, oh)		
And our hearts will light the way			Watch us (8)	from chasing satellites	
Every single love will be the one that got away			(Oh, oh, oh)		
We livin' like we're young			Watch us burn (9)_	chasing satellites	
And getting better every day			(Oh, oh, oh)		
(Oh no, oh no)			Watch us burn from chasing satellites		
We're chasing satellites					
Watch us burn the (4) tonight
