

Fill in the gaps

If I never feel you in my arms again	That I shall never (13) (14)
If I never feel your tender kiss again	(breathe again)
If I never (1) I love you now and then	And I can't stop (15) about
Will I (2) make love to you once again	About the way my life would be
Please understand, if love ends	No, I can't stop thinking about
Then I promise you, I (3) you that	How could you (16) me then leave
That I shall never (4) again	And I can't get you out of my mind
(Breathe again, breathe again)	God knows how hard I've tried
That I (5) never breathe again (breathe again)	And if you walk (17) out my life
And I can't stop thinking about	God knows I'd surely die
About the way things used to be	And I can't (18) doing without (no, no)
And I can't (6) thinking about	Without the wailing of my heart
About the love that you (7) to me	No, I can't stop doing without (no, no)
And I can't get you out of my head	For I would surely fall apart
How in the world will I begin	And I can't get you out of my mind
To let you walk right out my life and blow my heart away	And I know I can't deny it
And I can't stop caring about	And I would die if you (19) you won't see me
About the apple of my eye	again
And I can't stop doing without	If I never feel you in my arms again (if I never, ever)
Without the center of my life	If I never feel your (20) (21) again
And I can't get you out of my head	(no, no,no)
And I know I can't pretend	If I never hear I love you now and then (now and then)
That I won't die if you decide you won't see me again	Will I never make (22) to you once again (never
If I never feel you in my arms again (again)	make love)
If I never feel your tender kiss (8) (again)	Please understand, if love ends
If I never hear I (9) you now and then (and then)	Then I promise you, I (23) you that
Will I never make love to you once again	That I (24) never breathe again
Please understand, if love ends	(breathe again, breathe again)
Then I (10) you, I (11)	That I shall never breathe again (breathe again)
you that	That I (25) never breathe again
That I shall never (12) again	(breathe again, breathe again)
(Breathe again, breathe again)	That I shall never breathe
	Again
