Breathe Again by Toni Braxton

Fill in the gaps

If I never feel you in my arms again		That I (4) (5)	breathe
If I never feel your tender kiss again		(6) (breathe again)	
If I never hear I love you now and then		And I can't stop thinking about	
Will I never make love to you once again		About the way my life would be	
Please understand, if love ends		No, I can't stop thinking about	
Then I promise you, I promise you that		How could you love me then leave	
That I shall never breathe again (Breathe again, breathe again)		And I can't get you out of my mind	
		God knows how hard I've tried	
That I shall never (1)	_ again (breathe again)	And if you walk right out my life	
And I can't stop thinking about About the way things used to be		God knows I'd surely die	
		And I can't stop doing without (no, no)	
And I can't stop thinking about		Without the wailing of my heart	
About the love that you made to me		No, I can't stop doing without (no, no)	
And I can't get you out of my head		For I would surely fall apart	
How in the world will I begin		And I can't get you out of my mind	
To let you walk right out my life and blow my heart away		And I know I can't deny it	
And I can't stop caring about		And I would die if you decide you won't see me again	
About the apple of my eye		If I never (7) you in my arms again (if I never, ever)	
And I can't stop doing without		If I never feel your tender kiss again (no, no,no)	
Without the center of my life		If I (8) hear I love you now and then (now and	
And I can't get you out of my head		then)	
And I know I can't pretend		Will I never make love to you once again (never make love)	
That I won't die if you (2)	you won't see me	Please understand, if (9) er	nds
again		Then I promise you, I promise you that	
If I never feel you in my arms again (again)		That I shall never (10)	_ again
If I never feel your tender kiss again (again)		(breathe again, breathe again)	
If I never hear I (3) you now and then (and then)		That I shall never breathe again (breathe again)	
Will I never make love to you once again		That I shall never breathe again	
Please understand, if love ends		(breathe again, breathe again)	
Then I promise you, I promise you that		That I shall never breathe	
That I shall never breathe again		Again
