Tears Don't Fall by Bullet For My Valentine

Let's go!	Your tears don't fall they (5) around me
With blood shot eyes I watch you sleeping	Her (6) the guilty
The warmth I feel beside me is slowly fading	to come home
Would she hear me, if I (1) her name?	(Oh)
Would she hold me if she if she new my shame?	(Yeah)
There's always something different going wrong	This battered room I've seen before
The path I walk in the wrong direction	The broken bones they heal no more, no more
There's always someone ****** hanging on	With my last (8) I'm choking
Can anybody help me make better?	Will this ever end? I'm hoping
Your tears don't fall they crash around me	My world is over one more time
Her conscience calls the guilty to come home	Let's Go!
Your tears don't fall they crash around me	Would she hear me, if I (9) her name?
Her conscience calls the guilty to come home	Will she hold me, if she if she new my shame?
The moments died, I hear no screaming	There's always something different going wrong
The visions left inside me are slowly fading	The path I walk in the wrong direction
Would she hear me, if I call her name?	There's always someone ****** hanging on
Would she hold me, if she if she new my shame?	Can anybody help me make better?
There's always something different going wrong	Your tears don't fall they crash around me
The path I walk in the wrong direction	Her conscience calls the guilty to come home
There's always someone (2) hanging on	Your tears don't fall they (10) around me
Can anybody (3) me make better?	Her conscience calls the guilty to come home
Your tears don't fall they crash around me
