## I Don't Feel Like Dancin' by Scissor Sisters

Wake up in the morning	When I see you clap (17) hands
With a head like what you've done	If you stick around I'm (18) that you'll be fine
This used to be the life	But I don't (19) like dancing when the old Joanna
But I don't need another one	plays
Good luck cutting nothing	My (20) could take a chance
Carrying on, you wear them gowns	But my two feet can't (21) a way
So how come I feel so lonely when you're up getting down	You think that I could muster up
So I play (1) when I hear that favourite song	A little soft, (22) devil sway
I'm gonna be the one who gets it right	But I don't feel like dancing, no sir, no dancing today
You better know	Don't feel like dancing, dancing
When you're swinging around the room	Even if I find nothing better to do
Looks like magic's solely yours tonight	Don't feel like dancing, dancing
But I don't feel like dancing when the old Joanna plays	Why'd you break down when I'm not in the mood
My (2) could (3) a chance	Don't (23) like dancing, dancing
But my two feet can't find a way	Rather be home (24) no one when I can't get down
You think (4) I (5) (6)	with you
up	You can't make me (25) around but
A little soft, shoop (7) sway	Your two step makes my chest pound
But I don't feel like dancing, no sir, no dancing today	Just lay me down
Don't feel like dancing, dancing	As you blow it away into the shimmer light
Even if I find nothing better to do	But I don't feel like dancing when the old Joanna plays
Don't feel (8) dancing, dancing	My heart could (26) a chance
Why'd you break down when I'm not in the mood	But my two (27) can't find a way
Don't feel like dancing, dancing	You think that I could muster up
Rather be home (9) no one when I can't get down	A little soft, shoop devil sway
(10) you	But I don't feel like dancing, no sir, no dancing today
Cities come and (11) go just like the old	Don't feel like dancing, dancing
empires	Even if I (28) nothing better to do
When all you do is change your clothes	Don't feel like dancing, dancing
And call that versatile	Why'd you break (29) when I'm not in the mood
You got so many colours (12) a blind man so	Don't feel like dancing, dancing
confused	Rather be home with no one when I can't get down with you
Then why can't I keep up	
When you're the only (13) I lose	
So I'll just pretend that I (14) which way to bend	
And I'm gonna tell the (15) world (16)	
you're mine
