

## Fill in the gaps

With one light on	Wants to be a (21) again
In one room	I (22) to see the world alone again
I (1) you're up	To take a chance on life again
When I get home	So let me go
With one small step	Let me leave
Upon the stair	For the crown you've placed upon my head
I know your look	Feels too heavy now
When I get there	And I don't know (23) to say to you
If you (2) a king	But I'll (24) anyhow
Up (3) on your throne	And all the time I'm thinking
Would you be wise enough to let me go	Thinking
For this (4) you (5) you own	I want to be a hunter again
Wants to be a (6) again	I want to see the world alone again
I (7) to see the (8) (9)	To take a chance on (25) again
again	So let me go
To take a chance on (10) again	I want to be a hunter again
So let me go	I want to see the (26) alone again
The unread book and painful look	To take a chance on life again
The TV's on	So let me go
The sound is down	Let me leave
One long (11) (12) you begin	Let me go
Oh, (13) what the cat's (14) in	
If you (15) a king up (16) on	
(17) throne	
Would you be (18) (19) to let me	
go	
For (20) queen you think you own
