

Fill in the gaps

see you driving around town with the girl I love		I've got some news for you	
And I'm like forget you		I really hate you right, right now	
guess the change in my pocket wasn't enough		I see you driving around town with the girl I love	
m like forget you and (1) her too		And I'm like forget you	
Said, if I was richer, I'd still be with you		I guess the change in my pocket wasn't enough	
Now ain't that some shhh)		I'm like forget you and forget her too	
And although there's pain in my chest		Said, if I was richer, I'd still be with you	
still wish you the best with a forget you		(Now ain't that some shhhh)	
eah, I'm sorry		And although there's pain in my chest	
can't afford a Ferrari		I still wish you the best with a forget you	
But that don't mean I can't get you there		Now baby, baby, baby	
guess she's an X-box		Why you wanna, wanna hurt me so bad	
And I'm more Atari		(So bad, so bad, so bad)	
But the way you play (2) game ain't fair		I tried to tell my mama	
(3) the fool		But she told me this is one for your dad	
That falls in love with you (he's a gold digger)		(Your dad, your dad, your dad)	
Vell (just thought you should know better)		(Oh)	
Oooh)		Why	
ve got some news for you		(Oh)	
eah, go run and tell your little boyfriend		Why	
see you driving around town with the girl I love		(Oh)	
And I'm like forget you		Why	
guess the change in my pocket wasn't enough			
m like (4) you and forget her too		I love you	
Said, if I was richer, I'd still be with you		I still love you	
Now ain't that some shhh)		(Oooh)	
And although there's pain in my chest		I see you driving (8)	town with the girl I love
still wish you the best with a forget you		Forget you	
Now I know, that I had to borrow		I guess the change in my pocket wasn't enough	
Beg and steal and lie and cheat		I'm like forget you and forget her too	
Frying to keep you		Said, if I was richer, I'd (9)	be with you
Frying to please you		(Now ain't that (10) shhhh)	
Cause being in love with you ain't cheap		And although there's pain in my chest	
(5) the fool		I still wish you the best with a	
That falls in love with you (he's a gold digger)		Forget you	
Vell (just (6) you (7)	know
