

## Goldeneye by Tina Turner

### Fill in the gaps

See reflections on the water

Let him out

More than (1)\_\_\_\_\_ in the depths

Goldeneye not lace or leather

See him (2)\_\_\_\_\_ in (3)\_\_\_\_\_ shadow

Golden chain take him to the spot

On the wind I feel his breath

Goldeneye I'll show him forever

Goldeneye I found his weakness

It'll take (7)\_\_\_\_\_ to see what I've got

Goldeneye he'll do (4)\_\_\_\_\_ I please

You'll never know

Goldeneye no time for sweetness

How I watched you from the shadows as a child

But a bitter kiss

You'll (8)\_\_\_\_\_ know

Will (5)\_\_\_\_\_ him to his knees

How it (9)\_\_\_\_\_ to get so close and be denied

You'll never know

It's a gold and honey trap

How I watched you from the shadows as a child

I've got for you tonight

You'll never know

Revenge is to kiss

How it feels to be the one who's left behind

This (10)\_\_\_\_\_ I won't miss

You'll never (6)\_\_\_\_\_ the days, the nights

Now I've got you in my sight

The tears, the tears I've cried

With a Goldeneye

But now my time has come

Golden, Goldeneye

And time, time is not on your side

With a Goldeneye

See him move through smoke and mirrors

Goldeneye

Feel his presence in the crowd

Other girls they gather around him

If I had him I wouldn't
