

## Fill in the gaps

## Sign Your Name (Cover) by Sheryl Crow

Fortunately you	Sign your name across my heart (across my heart)
Have someone who relies on you	I want you to be my baby
We started out as friends	Birds never looked into the sun before the day is gone
But the thought of you just caves me in	(Oh) the (7) shines (8) on a
The symptoms are so deep	peaceful day
It's much too (1) to turn away	A stranger blue
We started out as friends	Leaves us alone, we don't want to deal with you
Sign your name across my heart (across my heart)	We'll shed our stains
I want you to be my baby	Showering in the room that makes the rain
Sign your name across my heart (across my heart)	All alone with you
I want you to be my baby	Makes the butterflies in me arise
Time, I'm sure, (2) bring	Slowly we make love
Disappointments in so many things (so many things)	Sign your name across my heart (across my heart)
It seems to be the way	I want you to be my baby
When your (3) (4) on	Sign your name across my heart (across my heart)
(5) you play	I (9) you to be my baby
I'd rather be in hell	Sign your name across my heart (sign your name)
With you, baby, than in cool Heaven	
It seems to be the way	
Sign your name across my heart (across my heart)	
I (6) you to be my baby
