

I want you to be my baby

Fill in the gaps

Sign Your Name (Cover) by Sheryl Crow

Fortunately you	Sign your name across my heart (across my heart)
Have someone who (1) on you	I want you to be my baby
We started out as friends	Birds never looked into the sun before the day is gone
But the (2) of you just caves me in	(Oh) the light shines bright on a peaceful day
The symptoms are so deep	A stranger blue
It's much too late to turn away	Leaves us alone, we don't want to deal with you
We started out as friends	We'll shed our stains
Sign your name across my heart (across my heart)	Showering in the room that makes the rain
I want you to be my baby	All alone with you
Sign your name (3) my heart (across my	Makes the butterflies in me arise
heart)	Slowly we make love
I (4) you to be my baby	Sign your name across my heart (across my heart)
Time, I'm sure, will bring	I want you to be my baby
Disappointments in so (5) things (so many things)	Sign your name across my (7) (across my heart)
It seems to be the way	I want you to be my baby
When your gambling cards on love you play	Sign your name across my heart (sign your name)
I'd (6) be in hell	
With you, baby, than in cool Heaven	
It seems to be the way	
Sign your name across my heart (across my heart)
