

Fill in the gaps

It's over and done
But the heartache lives on inside
And who is the one you're clinging to
Instead of me tonight
And where are you now
Now (1) I need you
Tears on my pillow
Wherever you go, go
I'll cry me a river
That leads to your ocean
You'll never see me fall apart
In the words of a broken heart it's just emotions
Taking me over
Caught up in sorrow, lost in the song
But if you don't come back
Come home to me darling
Don't you know there's nobody (2) in this world
To hold me tight
Don't you know there's nobody left in this world
To kiss goodnight (kiss good night)
Good night
Good night
I'm there at your side
A part of all the things you are
But you have a part of (3) else
, ,,
You gotta go find your shining star
You gotta go find your shining star
You gotta go find your shining star And where are you now
You gotta go find your shining star And where are you now Now that I need you

That leads to your ocean

You'll never see me fall apart
In the words of a broken heart it's just emotions
Taking me over (taking me over)
Caught up in sorrow, lost in the song
But if you don't come back
Come home to me darling
Don't you know there's nobody left in this world
To hold me tight (nobody left in this world)
Nobody (4) in (5) world
To kiss good night (nobody (6) in this world)
Good night
And where are you now
Now that I need you, you
Tears on my pillow
Wherever you, you go
I'll cry me a river
That leads to your ocean
You'll (7) see me fall apart
In the words of a broken heart It's just emotions
Taking me over
I'm caught up in sorrow, lost in the song
But if you don't come back
Come home to me darling
Nobody left in this world to hold me tight
(Nobody to hold me)
Nobody left in this (8) to kiss good night
(Nobody to kiss me)
Good night
Good night

Fill in the gaps

- 1. that
- 2. left
- 3. someone
