

Breathe your (1)	into my lungs
In the back of the car with you I stare into the	
Still not too old to die young	
The (2)	hold on to everything
And others hold on to anything	
I chased your love around a figure eight	
I need you (3)	than I can take
You promised forever and a day	
And then you take it all away	
(Way, way, way)	
And then you (4)	it all away
(Way, way, way)	
Place a kiss on my cheekbone	
Then you vanish me, I'm buried in the snow	
But something tells me I'm not alone	
But lovers hold on to everything	
And others hold on to anything	
I chased your love around a figure eight	
I need you more than I can take	
You promised forever and a day	
And then you take it all away	

Fill in the gaps

(way, way, way)	
And then you take it all away	
(Way, way, way, way)	
So (5) hold on to everything	
And (6) to anything	
So lovers hold on to everything	
And others hold to anything	
I chased your love around a figure eight	
I (8) you more (9) I can take	
You promised forever and a day	
And then you take it all away	
I (10) your love around a figure eight	
I need you more than I can take	
You promised forever and a day	
And then you take it all away	
(Way, way, way, way)	
And then you take it all away	
(Way way, way, way)
