

## Fill in the gaps

That my life would depend on the morning sun

I feel so extraordinary	I used to think that the day would never come
Something's got a hold on me	I'd see delight in the shade of the (13) sun
I get (1) feeling, I'm in motion	My morning sun is the (14) (15) brings
A sudden sense of liberty	me near
I don't (2) 'cause I'm not there	To the childhood I (16) replaced by fear
And I don't care if I'm (3) tomorrow	I used to think that the day would never come
Again and again I've (4) too much	That my (17) would (18) on the
Of the (5) cost you too much	morning sun
I used to think that the day would never come	I feel so extraordinary
I'd see delight in the shade of the morning sun	Something's got a hold on me
My morning sun is the drug that brings me near	I get this feeling, I'm in motion
To the childhood I lost replaced by fear	A sudden sense of liberty
I used to think that the day would (7) come	The chances are we've (19) too far
That my life would depend on the morning sun	You took my time and you (20) my money
When I was a very small boy	Now I (21) you've left me standing
Very small boys (8) to me	In a world that's so demanding
Now that we've grown up together	I (22) to think that the day would never come
They're (9) of (10) they see	I'd see (23) in the (24) of the
That's the (11) that we all pay	(25) sun
Our valued destiny comes to nothing	My (26) sun is the drug (27)
I can't (12) you where we're going	brings me near
I guess there was just no way of knowing	To the childhood I lost, replaced by fear
	I used to (28) that the day would never come
