### That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got being right down to an art	You're one of those guys who (5) to shine his
You think you're a genius, you drive me up the wall	machine
You're a regular original, a know-it-all	You make me take off my shoes before you let me get in
You think you're special	I can't believe you kiss your car (6) night
You think you're something else	Now come on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't (1) me much	You think you're (7) special
So you got the brain but (2) you got the touch	You think you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But that won't keep me warm in the middle of the night	That don't impress me much
That don't impress me much	So you got the moves but have you got the touch
I never (3) a guy who carried a mirror in his pocket	Now, don't get me wrong, yeah, I (8) you're
And a comb up his sleeve, just in case	alright
And all that extra hold gel in your hair ought to lock it	But that won't keep me warm in the middle of the night
'Cause Heaven forbid, it should fall out of place	That don't impress me much
You think you're special	You think you're cool but have you got the touch
You think you're something else	Don't get me wrong, yeah, I think you're alright
Okay, so you're Brad Pitt	But that won't keep me (9) on the long, cold, lonely
That don't (4) me much	night
So you got the looks but have you got the touch	That don't impress me much
Now don't get me wrong, yeah I think you're alright	Ok, so what do you think you're Elvis or something
But that won't keep me warm in the middle of the night	Whatever
