That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got (1) right down to an art	You're one of those guys who likes to shine his machine
You think you're a genius, you drive me up the wall	You (16) me take off my shoes before you let me
You're a regular original, a know-it-all	get in
You think you're special	I can't believe you kiss your car good night
You think you're something else	Now come on baby (17) me
Okay, so you're a rocket scientist	You must be joking, right
That don't impress me much	You think you're something special
So you got the brain but have you got the touch	You think you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But (2) won't keep me warm in the	That don't (18) me much
(3) of the night	So you got the moves but have you got the touch
That don't impress me much	Now, don't get me wrong, yeah, I (19) you're
I (4) (5) a guy who carried a mirror in	alright
his pocket	But that won't keep me (20) in the middle of the
And a comb up his sleeve, (6) in case	night
And all that extra (7) gel in your hair ought to lock it	That don't (21) me much
'Cause (8) forbid, it should (9) out	You think you're cool but (22) you got the touch
of place	Don't get me wrong, yeah, I think you're alright
You (10) you're special	But that won't (23) me (24) on the long,
You think you're (11) else	cold, (25) night
Okay, so you're (12) Pitt	That don't impress me much
That don't impress me much	Ok, so (26) do you think you're (27)
So you got the (13) but (14) you got	or something
the touch	Whatever
Now don't get me wrong, yeah I think you're alright	That don't impress me
But that won't keep me warm in the (15) of	
the night
