That Don't Impress Me Much by Shania Twain

've (1) a few guys who thought they were pretty	That don't impress me much
smart	You're one of those guys who likes to shine his machine
But you've got being (2) down to an art	You (6) me take off my shoes (7)
You think you're a genius, you drive me up the wall	you let me get in
You're a regular original, a know-it-all	I can't believe you kiss your car good night
You think you're special	Now come on (8) tell me
You think you're something else	You must be joking, right
Okay, so you're a rocket scientist	You think you're something special
That don't impress me much	You think you're something else
So you got the brain but have you got the touch	Okay, so you've got a car
Don't get me wrong, yeah, I (3) you're alright	That don't impress me much
But that won't keep me warm in the (4) of the	So you got the moves but have you got the touch
night	Now, don't get me wrong, yeah, I think you're alright
That don't (5) me much	But that won't (9) me warm in the middle of the
never knew a guy who carried a mirror in his pocket	night
And a comb up his sleeve, just in case	That don't impress me much
And all that extra hold gel in your hair ought to lock it	You think you're cool but have you got the touch
Cause Heaven forbid, it should fall out of place	Don't get me wrong, yeah, I think you're alright
You think you're special	But (10) won't keep me warm on the long, cold,
You think you're something else	lonely night
Okay, so you're Brad Pitt	That don't impress me much
That don't impress me much	Ok, so what do you think you're Elvis or something
So you got the looks but have you got the touch	Whatever
Now don't get me wrong, yeah I think you're alright	That don't impress me
