## Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was lost in the forest
From the first time we saw	And you showed me the way
We could wait for this moment	When the night's on fire
Like rocks on the shore	(Oh) Will you keep the (4)
We can never	burning
Be closer somehow	Hold on to your heart's desire
For the moment that lasts	When you see one bird
Is this moment now	Into the wind another one's turning
When the night's on fire	And the two can fly much higher (higher)
(Oh) Will you keep the candlelight burning	We are islands but never too far
Hold on to your heart's desire	We are islands
When you see one bird	And I need your light tonight
Into the (1) another one's turning	And I (5) (6) light tonight
And the two can fly much higher (higher)	We are islands but never too far
We are islands but never too far	We are islands
We are islands	And I need your light tonight
And I need your light tonight	And I need your light tonight
And I need your light tonight	We are (7) but never too far
We are islands but never too far	We are islands
We are islands	And I need your light tonight
And I (2) your light tonight	And I need your light tonight
And I need your light tonight	We are islands but never too far
Islands	We are islands
Never been to before	And I need (8) light tonight
And we climb so high	And I (9) your light tonight
To where the wild birds soar	We are islands but never too far
There's a new path	We are islands
That we found (3) today
